Complete Required Training

1. Under the My Learning tab, the **To Do** widget lists all assigned training. **NOTE:** The required training courses now appear in the My Learning section. All new Non-VA Users must take the **VA Privacy and Information Security Awareness and Rules of Behavior**. If you selected the checkbox **HIPAA Training Required** in the My Job Information section, then the **Privacy and HIPAA Training** will appear and is also required.
2. Select **Start Course**.

The screenshot shows the 'SANDBOX' Learning interface. The 'My Learning' tab is active, displaying a 'To-Do' widget with a red box and a circled '1' around the 'To-Do' header. Below the header, there is a search bar for 'Course name or ID' and a 'Filter' dropdown. A section titled 'DUE WITHIN A MONTH' contains two course cards. The first card is for 'FISMA Requirement' with a 'CHOOSE COURSES' button. The second card is for 'VA Privacy and Information Security Awareness and Rules of Behavior', which is marked as 'REQUIRED' and has a 'START COURSE' button highlighted with a red box and a circled '2'. To the right, there are sections for 'Find Learning' (with a search bar and 'Go' button), 'My Curricula' (showing 'Due in 30 days (2)'), and 'Learning History' (with 'View All' and 'Add' buttons).

3. In the Online Content Structure page, select **Launch Again**.

4. Complete the training as instructed.

NOTE: When you have finished the course(s), you may print completion certificates from the My History tile on your home page. You have successfully completed your required training.
